**Georgia Department of Public Safety  
MCCD Regulations Compliance  
P. O. Box 1456  
Atlanta, Georgia 30371  
(404) 624-7241**

Effective July 1, 2012, the Georgia Motor Carrier Act of 2012 (HB 865) transferred responsibility for regulation, certification, permitting, and enforcement of laws, rules, and regulations governing household goods movers, passenger carriers (motor coaches & buses), luxury limousine carriers, and non-consensual towing operations from the Georgia Public Service Commission to the Georgia Department of Public Safety.

The Department of Public Safety is primarily a law enforcement organization, and we encourage all motor carriers and drivers to comply with the Rules and Regulations of the Department, as well as Georgia law. Those who choose to operate illegally may face both criminal and civil penalties for non-compliance.

The Department is firmly committed to fair economic practices and the safe operation of motor vehicles. Under current Georgia law, motor carriers engaging in the intrastate (within Georgia) transportation of household goods and passengers are required to possess Certificates or Permits issued by the Georgia Department of Public Safety (DPS).

Additionally, limousine carriers and non-consensual tow operations are also required to possess Certificates or Permits issued by the DPS. Furthermore, drivers of luxury limousines and limousine carrier vehicles must have a "Chauffer's" endorsement on their driver's license, which is issued by the Georgia Department of Driver Services (DDS).

The Department recommends that ALL motor carriers provide a current and valid **email address**. Doing so, will facilitate communication between you and the Department, and in the long term, may save you money by providing a mechanism for us to immediately notify you of law or rule changes, new educational opportunities, and basic procedural changes within DPS. Email addresses can be obtained free of charge from your internet provider, or from many of the popular search engines on the Web.

DPS offers various outreach and educational opportunities to aid motor carriers in the proper registration and safe operation of motor vehicles. Please visit our website at [www.dps.georgia.gov](http://www.dps.georgia.gov) and [www.gamccd.net](http://www.gamccd.net) for further information. At our websites you will find links to rules, regulations, laws, and various educational documents and forms.
